Reason why you are with the Foundation: I joined the John Lancaster & W. Cecil Short Charity Foundation because of the opportunity to give back to the citizens of Southern Maryland and beyond. Through their lives, Mr. Lancaster and Dr. Short have been model citizens, and have lent their talents to better the lives of individuals throughout the state of Maryland, and elsewhere. I joined the Foundation in an attempt to continue the legacy that these two individuals have laid. I look forward to using my God given talents and abilities to help those that are in need, and support the continuing advancement of our youths, who are tomorrow's leaders.
